

February 2011

RE: Proposed Development to create a Pig Farm and Biogas Plant on the site adjacent to Foston Prison

Dear Sir or Madam,

As you may know, the original planning application for this development was submitted to South Derbyshire District Council. Since then, Derbyshire County Council has reconsidered its position stating the application is not a District Council decision and invited us to resubmit the application to the County Council instead.

We have therefore withdrawn the application submitted to South Derbyshire District Council and it will now be submitted to Derbyshire County Council during 2011.

Following our previous local consultation, including the public exhibition, we received feedback on our plans and have incorporated some major changes to the layout as a result.

You can view the latest plans on-line at: **www.MPPFoston.com** or, if you do not have access to the internet please contact us at the number below and we will send you an information pack.

The County Council will undertake its own consultation process once it has received the application when local residents will be able to comment on the plans directly to the planning department. Alternatively, if you have any questions, views or comments about our proposals please get in touch with us directly. All feedback will be submitted to the County Council's planning department within the application submission.

You can contact us 01283 790722
email us at info@MPPFoston.com
or visit our website www.MPPFoston.com

Yours faithfully

Martin Barker
